

FORM B-18
(APPENDIX F)
[See Rule 60(919)]

Statement of breweries in operation _____ during the year _____

1	2	3	4	5	6
Sl. No.	Name of town or station at which located	Year in which established	Average daily number of person employed during the year	Estimated outturn in gallons of malt liquor during the year	Remarks

NOTES:- (1) The figures in column 4 should either be taken from the statement prepared under the Factories Act, or, in the case of breweries for which returns under the Factory Act are not required, worked out by dividing the aggregate number of daily attendances of both permanent and temporary employees by the number of days in each year during which the factory or business was working.

(2) The same form is used in submitting the statement to the Excise Commissioner.
