1	2	3	4	5	6		7	8
name of license holder	name of shop for which the trees are tapped and to which the Tari will be carried	Name of tapper or carrier with parentage and residence	Currency of the pass	Name of village in which the registered tree is situated	Number inscribed on trees		Signature of licensee or his agent receiving the pass	Excise Inspector's initials and date
					Tar	Khajur		

It is required of the holder of this pass to observe the following conditions:

1. That he taps only those trees which have been marked by the Excise Department and for which tax has been paid.
2. That he does not take down any Tari or Sendhi from any tree between sunset and sunrise.
3. That he does not deliver Tari or Sendhi to any one except an authorized carrier holding a transport pass, and the carrier shall not deliver the Tari or Sendhi to any one except the licensee or his salesman or at any place other than licensed premises.
4. That he does not sell or otherwise transfer Tari or Sendhi to anyone.
5. That the carrier or tapper shall keep this pass with him at the time of tapping or carrying Tari.
6. That he does not adulterate any Tari or Sendhi covered by this pass with any noxious or objectionable substance.
7. That he maintain the marks put on the trees and does not efface or attempt to efface them.
8. That he carries the Tari or Sendhi without delay from the foot of the trees to the above named licensed shop by the most direct route.
